My sincere apologies for the late response.

Lab #s [REDACTED] are currently in the safe. They are pending case assignment and analysis by a chemist.

Sorry for the inconvenience. We are currently on a 6 month back log.

If you need these samples to be expedited, please fax over a letter indicating the Lab#/s and date needed to the Evidence Office @ 617-983-6625 and they will assign them to a chemist/s.

Thank you,

Annie
